MAYOWA BINUYO

Full stack Web Developer · C# / .NET / React · NYSC Corps Member

Lagos, Nigeria +234 705 083 5448 binuyomayor16@gmail.com LinkedIn GitHub Portfolio

PROFESSIONAL SUMMARY

Computer Science graduate and full stack web developer with proven experience building secure, scalable web applications using C#, ASP.NET Core, React, and PostgreSQL. Skilled in REST API development, user authentication, database design, and CMS integration. Currently seeking an NYSC PPA placement at a high-impact tech company in Lagos where I can contribute to real engineering challenges and accelerate my professional growth.

TECHNICAL SKILLS

Backend: C#, .NET Framework, ASP.NET Core, RESTful APIs, Entity Framework, Auth0

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS

CMS & Tools: WordPress, CMS Integration, Git, GitHub, Postman, Canva, SEO Tools

Databases: PostgreSQL, SQL Server, MySQL — schema design, queries, optimization

PROJECTS

Indoorplants | *HTML · CSS · JavaScript · Tailwind CSS* Live ↗ GitHub ↗

A responsive frontend web application for discovering and exploring indoor plants. Features clean UI design, structured content layout, and mobile-first responsiveness built with vanilla JS and Tailwind CSS.

Academic Resource Hub — Backend | *ASP.NET Core · PostgreSQL · Cloudinary · Auth0 · REST APIs* GitHub ↗

Solely responsible for the entire backend of a collaborative academic resource-sharing platform. Designed and built secure RESTful APIs, implemented hashed password authentication with school email validation, and integrated Cloudinary for media file handling.

Business Website Suite | *WordPress · HTML · CSS · JavaScript · Tailwind CSS* GitHub ↗

Designed and deployed 5+ responsive client websites with custom layouts during internship at Digital World Tech Academy, optimized for performance and SEO.

EXPERIENCE

Backend Developer · Capstone | *May 2025 – Jun 2025* Remote, Nigeria

- Built secure RESTful APIs with ASP.NET Core for an academic resource-sharing platform serving multiple user roles.
- Implemented user authentication system with hashed passwords and conditional school email validation for security.
- Integrated Cloudinary API for media uploads, enabling seamless file handling across the platform.

Intern — Web Developer & Technical Trainer · Digital World Tech Academy | *Apr 2024 – Sep 2024* Lagos, Nigeria

- Built and maintained 5+ responsive client websites using WordPress and custom HTML, CSS, JavaScript, and Tailwind CSS.
- Trained 10+ new recruits on web development fundamentals and MS Office, reducing onboarding time significantly.
- Assisted in debugging and content updates across multiple active projects, ensuring timely delivery.

EDUCATION

B.Sc. Computer Science · University of Ilorin | *Graduated August 2025* Ilorin, Nigeria
